Lockdown Diary 2020

Pandemics do not happen often.

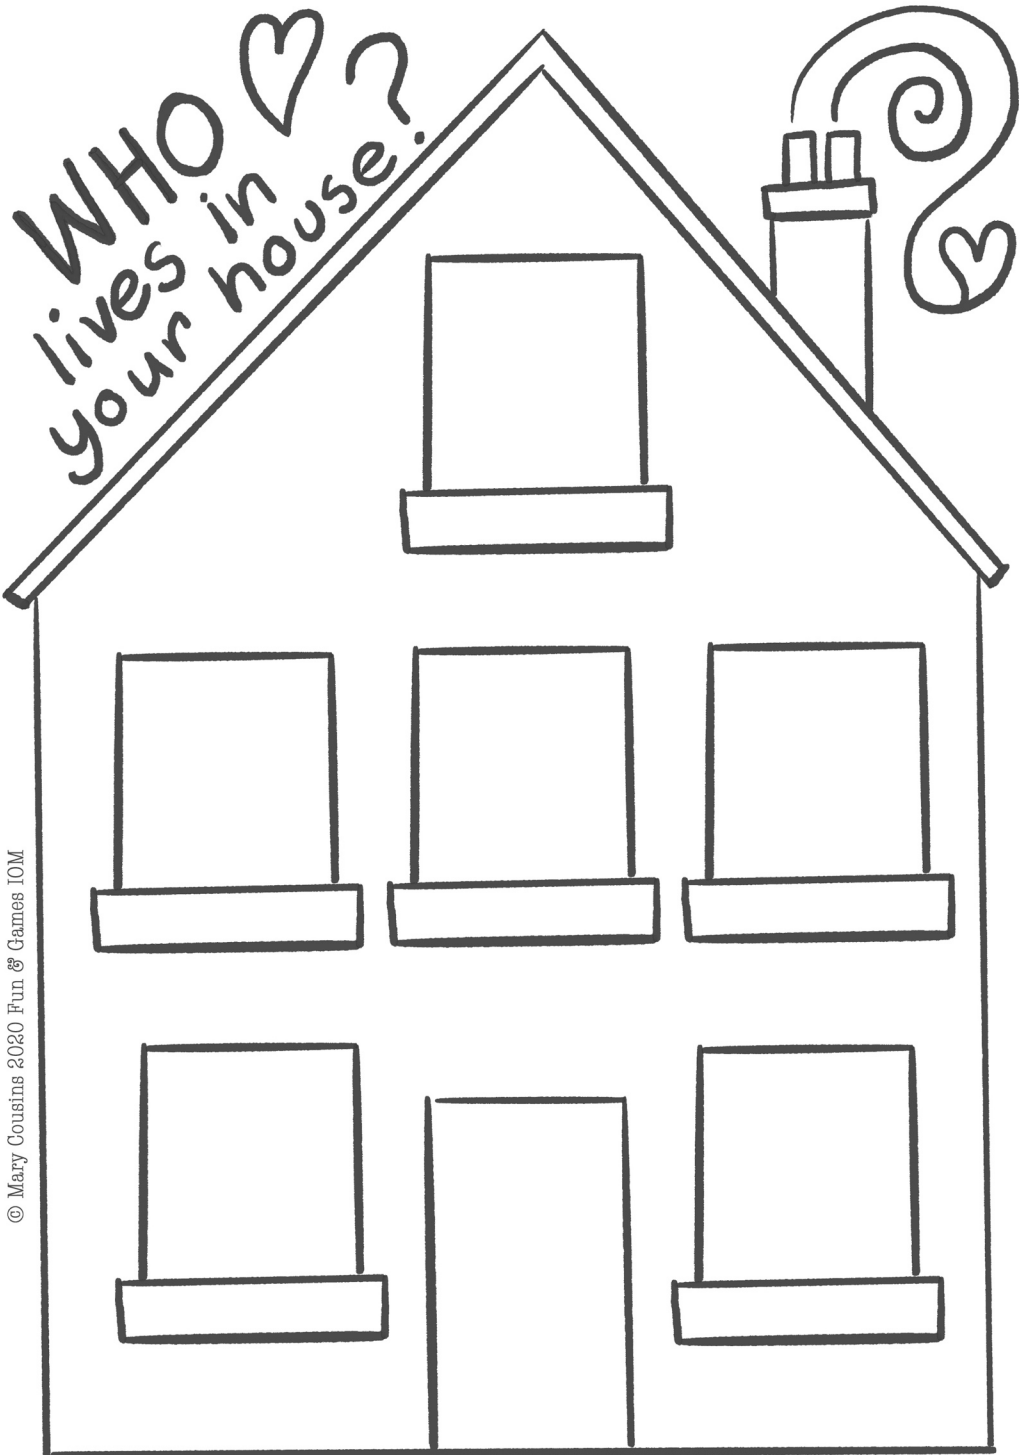

You are living through a time that will be part of world history.

This diary will be a record of you, your family and things you did, saw, heard and felt during this time.

Feel free to print as many pages as you need.

I hope you have fun with this diary and I hope you enjoy reading it, and remembering this time, in years to come.

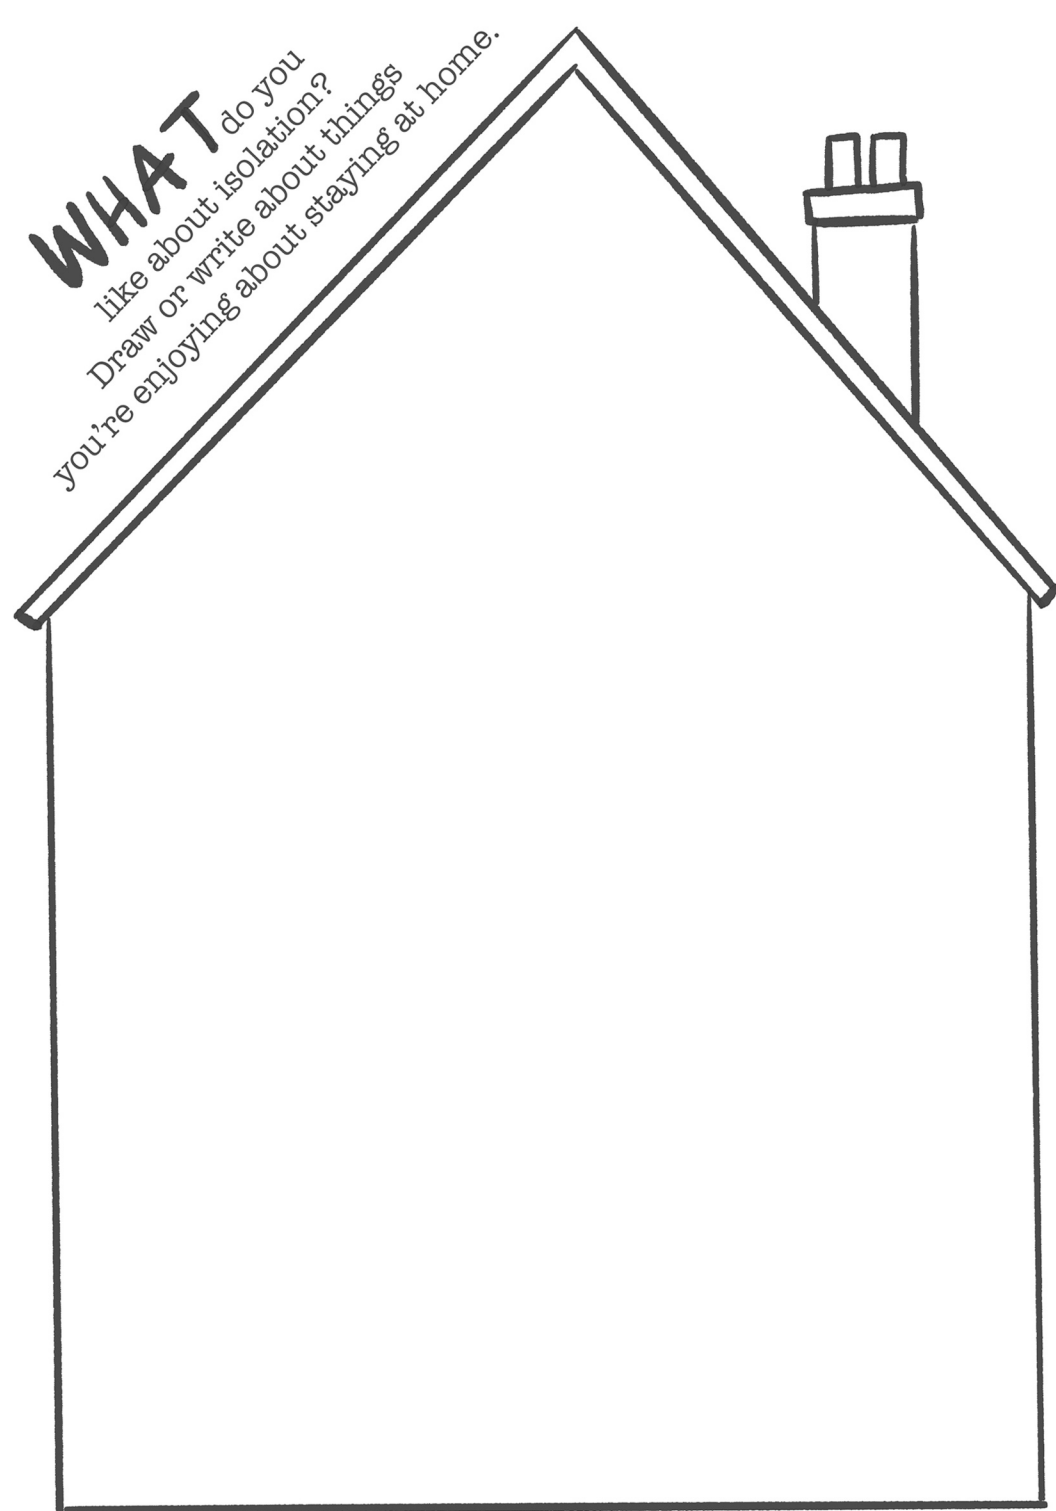

Stay safe.

WHO lives in your house? 

Draw everyone who is isolated in your house - pets and toys too, if you like.
